|-------------------------------|---|
| 1. Fairy tale | a. fantasy and magic interweave with modern times and life in (and under) a real city. |
| 2. Heroic/high fantasy | b. dragon-slayers and muscular heroes in violent conflicts with supernatural villains and evil spirits. |
| 3. Urban/contemporary fantasy | c. stories about events in the future where imaginary technology can make you travel in time or space to other inhabited planets. |
| 4. Humorous fantasy | d. quests, heroes, kingdoms, magical creatures and the ultimate fight between good and evil, usually extended over several volumes. |
| 5. Science fiction | e. an often spicy and/or black tale set in a parodic Fantasyland. |
| 6. Sword and Sorcery | f. usually a children's story in which magical things happen, set in "once upon a time" and with a "happily ever after" conclusion. |
