

NEW YORK FASHION

WOMENS STYLE

01

the fashion went through a revolution particularly for women. women had on short skirts, short hair (symbol of independence) knee-length dresses when at parties shimmering, beaded cocktail dresses, often with fringes

02

MENS STYLE

men's style was classic and formal. suits were common, double-breasted jackets accessories: fedora hats,

FAMOUS FASHION DESIGNER

03

Coco Chanel was a very popular designer in the 1920's. She had ideas of minimalism, elegance and practicality.

04

ALL IN ALL

all in all fashion in 1920's New York was a symbol of the modern woman and men's fashion evolved to be more relaxed. it was a time where people experimented with new identities.
