

Why Jazz Rocks!

What was popular

Jazz, Blues, Ragtime, swing, dance band.

Clubs

People would gather around in Jazz clubs, to listen to feel the music of a century.

Jazz

In the 1920s, Jazz was monopolizing the music industry. No other genre could even dream of competing.

Who was popular

Louis Armstrong aka. "Mr. what a wonderful world". Charlie Patton with: "Down the dirt road"

The radio

The radio was used to share the culture across the country and bring people together from coast to coast. Everyone could use the radio and it was possible for everyone to access. The radio channels also gave people ideas of how to use it, so that everyone could enjoy the music.
