

Win the White House: Issue Guide

| | | | |
|--|---|--|---|
| | Retirement Security All Americans have the right to a secure and healthy retirement. Medicare and Social Security need to be protected for future generations. | | Job Creation Let's put America back to work. We need policies that help businesses grow and keep high-paying jobs in the US. |
| | LGBTQ+ Rights We support equality and freedom from discrimination for LGBTQ+ people in all areas including housing, employment, and healthcare. | | Ending the Opioid Crisis America is facing a public health emergency that we must combat through all lawful means. Ending opioid drug abuse must be a top priority. |
| | Address Climate Change We must address climate change, protect our natural resources, and ensuring the quality of our air, water, and land both now and for the future. | | Peace Through Strength Our military needs to be prioritized to remain modern, agile, and adaptable for future threats. |
| | Equal Access to Healthcare All Americans have the right to be able to access and afford healthcare. The government has a critical role in supporting a healthier America. | | Lower Taxes We should lower taxes so citizens can keep more of what they earn and choose to save, spend, or invest as they see fit. |
| | Care for Poor and Needy We believe that no one in this country should live in poverty or go hungry. The government should use assistance programs to help. | | Expand Competition in Health Care We believe in a health care system based on genuine competition of insurance and health care providers, patient choice, and high-quality care. |
| | Campaign Finance We must end the hidden control that rich people and companies have over our democracy. More transparency in campaign funding is critical. | | Fight Terrorism Abroad Terrorist threats to America require strengthening our military, as well as pursuing non-military options. |
| | Voting Rights All citizens should be able to vote in accessible and fair elections. Laws should support and encourage voter turnout, not suppress it. | | Prevent Election Fraud To protect the integrity of our elections, we support requiring proof of citizenship when registering to vote and photo ID for voting. |
| | Immigration Reform Building a wall isn't a good idea. We must reform our immigration system to make it fairer and faster, while maintaining our national security. | | Securing the Border The humanitarian and national security crisis on our southern border requires immediate and significant action. |
| | Federal Funding for Education The federal government has a responsibility to help children get the best public K-12 education and to support affordable college options for all. | | School Choice A greater portion of education funding should go directly to families so they can choose the best public or private schools for their children. |
| | Preventing Gun Violence Sensible action, like restricting the purchase of some firearms, must be taken to address gun violence in our communities. (MS, HS) | | Gun Rights Law-abiding citizens should not be restricted from gun ownership by the federal government. The second amendment must be protected. (MS, HS) |
| | Pollution Standards The government should take clear and bold steps to limit pollution. We need to address the impact of pollution on our people and our environment. | | Business Innovation The government should not restrict the growth of American business through unfair taxes or over-regulation. |
| | Women's Reproductive Rights All women should have access to quality reproductive health care services, including safe and legal abortion. (HS only) | | Protection of Unborn Lives Babies are innocent human beings from the moment of conception. They have a fundamental right to life, which must be protected. (HS) |
| | Global Cooperation 21st Century challenges require participation in organizations like the United Nations and NATO to make the world a safer place. | | Global Independence The United States should maintain its independence and values as it participates in international relations. |
| | Cleaner Energy Renewable energies boost the economy through high paying jobs, fight climate change, and reduce foreign oil reliance. | | Limited Government The government needs to spend less and limit its role in Americans' daily lives. |
