EDINBURGH CASTLE

Experience the defender of the
nation's 3,000 year history

THE JEWEL IN EDINBURGH'S CROWN

A mighty fortress, the defender of the nation and home of the famous Royal Edinburgh Military Tattoo – Edinburgh Castle has dominated the skyline for centuries and is part of Edinburgh's Old and New Towns World Heritage Site.

The stronghold is the most besieged place in Britain, having provided sanctuary and security for many of Scotland's kings and queens.

Today, countless treasures are protected by the castle walls. Marvel at the nation's Crown Jewels, smell the gunpowder after the One o'Clock Gun fires, hear the castle's great story on a guided tour and taste the best of Scottish produce – all in this magnificent fortress.

New for 2019

Don't forget to visit our new permanent exhibition, *Fight for the Castle*, which unravels the story of how the castle transformed from a great royal residence into a war-torn stronghold.

Don't miss out!
