<b>P (pointe)</b>	Her skriver du din påstand, din pointe, det som du vil kommunikere om teksten/filmen. Eksempel: <i>Nick is an adolescent who wants to show his father that he can cope with the events taking place in the Indian camp.</i>
<b>E (example)</b>	Find et citat, der illustrerer din pointe/påstand. Husk at henvise i parentes. Eksempel: <i>It becomes clear in the conversation he has with his father in the Indian woman's shanty. When Nick's father tells him that the Indian woman is going to have a baby, he replies, "I know" (p. 14, 1.2).</i>
<b>E (explain)</b>	Forklar hvad det er i dit eksempel, som gør at vi kan se du har ret i din påstand. Eksempel: <i>This shows that Nick wants to assure his father that he is no longer a child.</i>
